Here, our CTAL-SEC latest exam torrent is the right study material for you to choose, Question: How does Errandsolutions guarantee works, test passed!!, the experts create every possible learning material for the students, even the ISQI CTAL-SEC practice exam.

### NEW QUESTION: 1

Many questionnaires are made up of a series of different questions that use the same response categories (for example: strongly agree, agree, neither, disagree, strongly disagree). Some designs will have different groups of respondents answer alternate versions of the questionnaire that present the questions in different orders and reverse the orientation of the endpoints of the scale (for example: agree on the right and disagree on the left).

The purpose of such questionnaire variations is to:

- A. Make it possible to get information about more than one population parameter using the same questions.
- B. Test whether respondents are reading the questionnaire.
- C. Reduce the effects of pattern response tendencies.
- D. Eliminate intentional misrepresentations.

**Answer: C**
